Dear CT focal points and members of the EU Internet Forum,

As you know, the Commission is working on an Impact Assessment on Illegal Content Online. A first discussion with Member States was held in the context of the EU Internet Forum on 22 May, where we announced that we would consult Member States further, specifically on the possible measures under consideration for terrorist content online.

In order to obtain your views, we would be grateful to receive your answers to the attached questionnaire by June 13 cob. We ask for your understanding for the short deadline. Please circulate the questionnaire as appropriate to other relevant Ministries in your capital.

In addition, we kindly invite you to a meeting on 15 June from 10.30 to 16.00 in Brussels. The objective is to have a detailed discussion and exchange of views on possible measures under consideration. A formal invitation will be sent in the coming days, with the details for the registration process of your Delegation (up to two participants per Member State).

The meeting will be held in English; unfortunately no translation can be provided. Please note that travel or participation at the meeting will not be reimbursed.

Do not hesitate to contact us should you have any questions.

Kind regards,

**Luigi SORECA**
